

OFFICE OF THE SECRETARY

UNITED STATES NUCLEAR REGULATORY COMMISSION WASHINGTON, D.C. 20555

RELEASED TO THE PDR 2/24/94 date initials

February 8, 1994

MEMORANDUM TO: Carlton R. Stoiber, Director Office of International Programs
FROM: Samuel J. Chilk, Secretary
SUBJECT: SECY-93-348 - PROPOSED AMENDMENT TO EXPORT LICENSE XMAT0387 FOR ADDITIONAL NUCLEAR GRADE GRAPHITE TO JAPAN

This is to advise you that the Commission has approved the proposed issuance of the amendment to export license XMAT0387. As proposed in your memorandum of January 25, 1994, UCAR should be told that either of the two disposal options in Japan are agreeable to the NRC and that you should be advised of the option chosen and the name of the Japanese company that receives the material for use or disposal.
