Re: Envirocare of Utah, Inc.

Dear Ms. Wastler:

As we discussed by telephone, I have prepared a brief agenda for the meeting requested by Envirocare of Utah, Inc. between representatives of Envirocare and staff members of your office to discuss limited amendments to Envirocare's 11e.(2) byproduct material license. I understand that this agenda may be included in NRC's public notice of the meeting.

Please call me at your earliest opportunity to schedule this meeting. Thanks for your courtesy and assistance.

Very truly yours,

David L. Hiller
