Dear Dr. Mallett,

As you suggested during our telephone conversation of November 22, 1988 about our having had a problem with leaked radioactive materials from a 3M Company anti-static device, I am writing to request a copy of the Inspection Report on The 3M Event dated July 1, 1988 by Mr. J. Lynch.

We are very thankful for your constructive attitude in assisting us to continue our investigation of a most upsetting experience.

Very truly yours,

*Michael J. Boyle*
