SUBJECT: REQUEST FOR ESTABLISHMENT OF A LOCAL
 PUBLIC DOCUMENT ROOM NEAR CAMBRIDGE, OHIO
 AND NEWFIELD, NEW JERSEY

This refers to our previous telephone conversation regarding the distribution of documents contained in docket nos. 40-08948 and 40-07102 on Shieldalloy Metallurgical Corporation's (Shieldalloy's) facilities near Cambridge, Ohio and Newfield, New Jersey. Due to the increased Congressional and local public interest in these sites, and as well as NRC's decision to initiate separate Environmental Impact Statements on the disposition of waste stored at these sites, we request that a local public document room (LPDR) be established near each of these sites.

In our recent conversation, you indicated that there are two existing LPDRs within 30 miles of the Newfield, New Jersey site. These LPDRs are located west of the Newfield site in the towns of Salem and Penns Grove, New Jersey. You also noted that the best approach for establishing a LPDR for the Newfield site may be to utilize these existing LPDRs. We agree and therefore request that you implement this approach for the Newfield site. You also indicated that there is currently no existing LPDR near Shieldalloy's Cambridge, Ohio site. Therefore, we request that a new LPDR be established in either Cambridge or Byesville, Ohio.

If we can be of assistance in this matter, please feel free to contact Gary Comfort (Newfield site) or me (Cambridge site) at 504-2667 and 504-2546, respectively.
