Fitness-For-Duty Program Performance Data

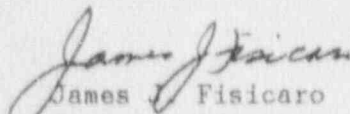

Gentlemen:

Our letter dated August 29, 1990 (0CAN089008), transmitted to the NRC fitness-for-duty (FFD) performance data for the period January through June, 1990.

During a telephone conversation between Mr. Tom Alexion (NRC) and Mr. Ken Jeffery (ANO), it was identified that there was a problem in the calculation of the FFD performance data. A discrepancy exists with regard to the total number of confirmed positive tests for specific substances and the number of confirmed positives shown by category on the performance data sheet. A correction to the FFD performance data has been made and is included as an attachment to this letter.

If further information is needed, please contact me.

Very truly yours,

James J. Fisicaro
