Gentlemen:

SUBJECT: CONFIRMATION OF ACTION LETTER

This refers to a telephone conversation on January 29, 1991, between Mr. W. Cline of this office and you concerning actions your company will take to enhance safety of operations.

With regard to the matters discussed, it is our understanding that you will take the following action:

1. Take steps to ensure that the gauging device is properly stored and secured when not in use;
2. Provide training to the authorized users as described in Item #8 of your application for materials license dated June 10, 1986;
3. Ensure that the gauging device is only used by, or under the supervision of, yourself or those individuals who have been trained as specified in the license application dated June 10, 1986.

If your understanding of the discussion is different from that above, please inform this office promptly. This Confirmation of Action letter does not preclude NRC from issuing an Order, which could require additional specific action related to this matter.

The licensing information you requested during the referenced telephone conversation is being provided via separate correspondence.
