Dear Mr. Davis:

This is in response to your letter and Demand for Information, dated November 2, 1990.

Please be advised that the cover letter to Amendment No. 65 to our license states in part: "Please note that your possession limits are now below the limits requiring decommissioning financial assurance. Therefore, you do not need to address decommissioning financial assurance for your licensed facilities".

I shall assume that no other reply is necessary to your "Demand for Information"; and that if additional information is still required, you will contact me.

Sincerely,
