Gentlemen:

This confirms our plans as discussed between Mr. Tom Kovach of your staff and Mr. Don Jones of this office to conduct an Enforcement Conference with you and members of your staff at the NRC Regional Office in Glen Ellyn, Illinois, on Thursday, February 21, 1991, at 10:00 a.m. (CST). The purpose of the conference is to discuss the circumstances surrounding the January 24, 1991 loss of coolant event at Quad Cities. You should be prepared to discuss the topics listed in the enclosure to this letter at the conference. We also request that you provide a handout which succinctly describes your position concerning these enforcement considerations.

We appreciate your cooperation in this matter, and will gladly discuss any questions you may have concerning this meeting.

Sincerely,

William L. Jones
Hubert J. Miller, Director
Division of Reactor Projects
