Dear Mr. Bauer:

Subject: Status of PECO Responses to NRC Requests for Additional Information

Pursuant to our telephone conversation today with Ted Robb of your licensing staff, this letter confirms that you will provide us with a written status report of all NRC questions which, to date, we have not received responses to. This summary should include, for each relevant item, the question number and date (month, day, and year) of anticipated response by letter and by FSAR/EROL revision. In addition, for those items where responses are anticipated more than 30 days from the date of this letter, we would like a brief description of the nature of the delay. To permit a timely re-assessment of our license schedule, we request that this information be provided to us by the first of the year.

Sincerely,

A. Schwencer, Chief
Licensing Branch No. 2
Division of Licensing
