Dear Mr. Dattilo:

As a representative of one of the parties to the construction permit proceeding in the matter of Public Service Company of Indiana for the Marble Hill Nuclear Generating Station, Units 1 and 2, you have been receiving copies of correspondence to the applicant originated by the Division of Licensing during our review of the construction permit application.

Documents filed by the licensee and correspondence from us regarding the construction and/or operation of the Marble Hill Nuclear Generating Station, Units 1 and 2 will continue to be made available at the NRC and local public document rooms. In addition, NRC Regional Offices or Headquarters will issue public announcements should any significant events occur with respect to this facility.

If you believe that these sources of information will not adequately serve your needs, arrangements can be made for you to continue to receive copies of NRC correspondence which are sent to the licensee during the next year. If you wish to continue this service, please let us know. You may also wish to contact the licensee directly to ask for copies of documents filed with the NRC.

If we have not heard from you within 30 days of the date of this letter, you will automatically be dropped from the service list.

Sincerely,

Original signed by
