RE: Letter Dated November 2, 1990
Concerning Financial Surety Requirements
Materials License No. 12-13837-01

Gentlemen:

Condition 29 of our Materials License restricts us to possession of licensed material to quantities below the minimum limit specified in 10 CFR 30.35(a) for submitting a decommissioning funding plan or for certifying that financial assurance for decommissioning has been provided. Mr. John Jones of your office verified this in a telephone conversation on November 2, 1990. As directed by Mr. Jones, we are enclosing a copy of our Materials License and its cover letter as our response to your letter.

If you have any question, please call me at (708) 420-5222.

Sincerely,

Terry W. Lieboe
Radiation Safety Officer
