Gentlemen:

SUBJECT: DEMAND FOR INFORMATION LETTER DATED NOVEMBER 2, 1990

The above referenced document required that you respond to us within 30 days regarding your compliance with 10 CFR 30.35 (copy enclosed). After further review of License No. 14-00822-01, Amendment No. 27, issued on July 18, 1990 incorporated your June 26, 1990 decommissioning submittal.

On November 19, 1990, our office issued a Rescission of License Amendment No. 27, based on the determination that the amendment was unnecessary and redundant since the requirements are contained in the decommissioning rule (10 CFR 30.35).

We have concluded that you are in compliance with 10 CFR 30.35 "Financial Assurance and Recordkeeping for Decommissioning" and have enclosed an acceptance letter regarding your June 26, 1990 submittal.

You need not take any further act on regarding this matter.

If you have any questions, please contact our offices at (708) 790-5625.

Sincerely,

Original Signed By
