Re: Louisiana Energy Services
Claiborne Enrichment Center
License Application
File: MTS-6046-00-2001.02

Mr. Wascom:

Enclosed for your information and use is a copy of the Louisiana Energy Services license application submitted to the NRC on January 31, 1991. This copy does not include the Physical Security Plan nor the Security Plan for the Protection of Classified Matter and Information. These security plans are proprietary information and are being withheld from public disclosure.

Please call Peter LeRoy at (704) 373-8466 if there are any questions concerning this.

Sincerely,

For V.M. Anthony
