Gentlemen:

Thank you for your letter of September 26, 1990, in response to our letter and Notice of Violation dated August 20, 1990. A single violation of three parts was at issue involving licensee designated vehicles (LDVs).

Your response to Item 1 of Violation 498/9022-01; 499/9022-01 stated that the LDVs in question were being utilized for operational purposes outside the protected area and that no violation of the physical security plan occurred. The information that you have provided, plus the actions you have taken on your own initiative with regard to processing LDVs, has resolved our concerns. Therefore, that portion of the cited violation identified as Item 1 is being withdrawn.

We have no comments in regard to your response to the remaining portions of the cited violation identified as Items 2 and 3 and will review your corrective actions regarding all matters involving LDVs during a future inspection.

If you have any questions in regard to this matter, please contact Mr. Charles L. Cain of our regional office staff.

Sincerely,

Original Signed By

John M. Montgomery  
Deputy Regional Administrator
