Subject: Job No. 6440 - Monitored Retrievable Storage Facility
Submission of 70% Overall Project Review

Reference: Contract DE-AC06-85-RL10436

Gentlemen:

We are transmitting herewith one half size copy of the R & H Facility, Concrete Cast Storage, Drywell Storage, and Utilities drawings for the 70% overall project review. These drawings are listed in Attachment A.

We are transmitting this package directly to you per a request from DOE-RL Operation Office in order to expedite the review process in anticipation of the review meeting scheduled for October 22, 1984.

Very truly yours,

W. L. Santos for
