Gentlemen:

Thank you for your letter of December 7, 1982, in response to our letter dated November 12, 1982. As a result of our review, we find that additional information, as discussed with you during a telephone call on December 15, 1982, is needed. Specifically, please provide us information which would demonstrate that area sales offices provided revised operating instructions to customers who had not previously received the new manual.

Please provide this additional information within 25 days from the date of this letter in order that we may complete our review in a timely manner.

Sincerely,

Original Signed by
