Walnut Creek, California 94596

Re: Docket No. 50-133  
License No. DPR-7

Dear Mr. Engelken:

This is in response to your letter dated April 17, 1979 which enclosed I.E. Bulletin No. 79-09 and requested information concerning the use of General Electric Type AR-2 circuit breakers.

There are none of the subject breakers in use or planned for use in safety related equipment in Humboldt Bay Power Plant Unit No. 3.

Very truly yours,

*Philip A. Crane, Jr.*
