Docket No. 50-146

Ms. Lila Pennell  
Librarian  
Saxton Community Library  
911 Church Street  
Saxton, PA 16678

Dear Ms. Pennell:

This will confirm the telephone conversation between Carolyn Fuller, Member, Board of Directors, Saxton Community Library, and Sandra Schlosser, LPDR Coordinator, of this office, on March 7, 1983, at which time Ms. Schlosser discussed the establishment of the Saxton Community Library as an official U. S. Nuclear Regulatory Commission (NRC) local public document room (LPDR) for the Saxton Nuclear Facility.

Your willingness to serve as the Saxton Local Public Document Room is greatly appreciated and we look forward to working with you and your staff to meet the information needs of the public.

In the next few days we will start to send out the documents for the Saxton collection, as Ms. Schlosser discussed.

Please free to contact us at any time on our toll-free number, (800)638-8081, should you have questions concerning the Saxton document collection or the NRC's LPDR program. Again, thank you for your cooperation and assistance.

Sincerely,

Jona L. Souder, Chief  
Local Public Document Room Branch  
Division of Rules and Records  
Office of Administration
