Division of Fuel Cycle and Material Safety
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Dear Sir:

Re: License No. 20-01382-16G

I am enclosing a report of transfers of devices to and from persons generally licensed under Section 31.5, 10 CFR 31. The period covered is the second quarter of 1980.

Please consider the information contained in this report to be proprietary information.

Very truly yours,

LFE CORPORATION
PROCESS CONTROL DIVISION

William R. Prendergast
