MEMORANDUM AND ORDER

Because of conflicts in the schedules of the Board members, the evidentiary hearing on alternate sites as provided in the Board's order of October 23, 1981 is postponed from February 2, 1982. The Board expects to commence the hearings on March 30, 1982. Because of this postponement parties need not file written testimony on January 8, 1982 as provided in the Board's October 1981 order. A conference call among the parties will be arranged in early January 1982 to set a date for the filing of written testimony, but in any event the parties will not be required to file testimony before February 8.
