Re: Florida Power & Light Company  
(St. Lucie Plant, Unit No. 2)  
Docket No. 50-389A

Gentlemen:

Today Florida Power & Light Company (FPL) has filed a Motion for Modification of the Procedural Schedule incorporated in the Board's Memorandum and Order dated December 11, 1981. Given the approaching time deadlines set forth in that schedule, it would appear that an expedited response to this Motion is warranted, in order to permit the Board to rule on the requested modifications and clarifications of the schedule before those deadlines arrive.

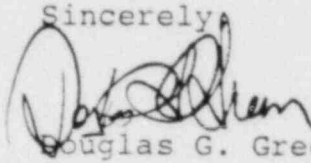

Accordingly, FPL proposes that responses to this Motion be filed, via hand-delivery with the Board, no later than December 29, 1981. A proposed order implementing this requirement is attached.
