Re: Docket No. 40-8602
Source Material License SUA-1356

Dear Mr. Pettengill:

Enclosed please find eight copies of the Morton Ranch Project response to 10CFR40 Appendix A. In accordance with a telephone conversation on 12/16/81 between the Morton Ranch Project staff and Mr. Dennis Sollenburger of your staff, the response contains short summaries for each technical criterion followed by references to specific documents in which the detailed information may be found.

All documents referenced in this response have been previously submitted to the U. S. NRC with the exception of those listed below which have been provided as attachments to the enclosed response.

1. Permit 230C Volume II Reclamation Plans for Morton Ranch Operations, January 31, 1979, Section 9, Mill Reclamation.
2. Reclamation Performance Bond.

If further clarification is required please notify the undersigned at your earliest convenience in order that a timely response can be made. However, we trust that the aforementioned data in response to Criterion 1 through 12 will suffice in meeting your requirements.
