Dear Mr. Keppler:

In accordance with Reference (1), we are submitting the Annual Report for 1982 covering the radiological exposure summary.

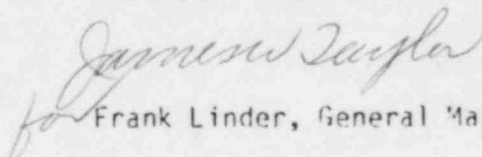

Also included are brief descriptions of changes and tests, including summaries of the safety evaluations of each required by the provisions of Reference (2). No experiments were conducted during this reporting period.

In accordance with Reference (3), this report also includes the annual report of safety valve failures. There were no safety valve failures during 1982.

If there are any questions concerning this report, please contact us.

Very truly yours,

DAIRYLAND POWER COOPERATIVE
