Reference: SUA-1371; Docket No. 40-8698

Gentlemen:

This letter is written to confirm my telephone conversation with Mr. Terry L. Johnson, NRC, of even date. The effluent monitoring program report for July 1, 1982 through December 31, 1982 will be submitted later than the time limit imposed in 10 CFR 40.65. According to Plateau's Environmental and Radiological Health Department, the cause of delay is due to unavoidable circumstances beyond their control.

We apologize for the delay and will submit the report as soon as possible.

Sincerely,

Fred W. Gerdeman
