SUMMARY

I asked him @ the status - should we process it or not? How long should we wait?

He said that the change in incorporation will not happen until January 1995.

I told him that we cannot sit on this action for a long time. He told me if ~~they~~^{we} could send him back the application fee such that they could re-apply for this when they are ready to proceed.

I told him that I would void the action and send back the fees to him.

Re: Amendment of NRC Material License No. SMB-151
United Technologies Corporation, Pratt & Whitney Divisions

Dear Ms. Villar:

On March 1, 1994 I wrote indicating that on or about April 1, 1994, United Technologies Corporation ("UTC") will undergo a corporate reorganization in which Pratt & Whitney Division will be incorporated independently of UTC as "Pratt & Whitney Aircraft Company."

That reorganization has been delayed and a new date for incorporation of Pratt & Whitney has not yet been established.

Accordingly, please do not process an amendment to NRC Material License No. SMB-151 to reflect the change requested in my March 1, 1994 correspondence.

We appreciate greatly your time and consideration. We regret any inconvenience this change may have caused. Should you have any questions or require additional information, please do not hesitate to contact me at (203) 565-2846.

Sincerely,

Kevin M. Doyle

Re: Amendment of NRC Material License No. SMB-151
United Technologies Corporation, Pratt & Whitney Divisions

Dear Ms. Villar:

On or about April 1, 1994, United Technologies Corporation ("UTC") will undergo a corporate reorganization in which Pratt & Whitney Division will be incorporated independently of UTC as "Pratt & Whitney Aircraft Company." There will be no change in ownership or operation of the Pratt & Whitney Division; rather the division will, in effect, undergo a change in name only. Furthermore, no changes in radiation safety personnel at the division level are expected.

Accordingly, please accept this letter and the enclosed check in the amount of \$450.00 as a formal request to amend the subject NRC Material License (No. SMB-151) to reflect the change in licensee from United Technologies Corporation, Pratt & Whitney to Pratt & Whitney Aircraft Company.

We appreciate greatly your time and prompt consideration. Should you have any questions or require additional information, please do not hesitate to contact me at (203) 565-2846.

Sincerely,

Kevin M. Doyle
Associate Counsel
