RE: E/L APPLICATION FOR GENKAI UNIT NO. 4, REGION 1, 2 AND 3

XSNM02813

Dear Ms. Wright:

Upon your request, we checked and found out that the export of UF6 is for Kyushu's Genkai unit No. 4, initial core. So please process accordingly. The additional \$2,000 payment for E/L application will be in the mail shortly.

Thank you for your attention to this matter.

Sincerely,

Yan-Meng Lang
