Gentlemen:

Thank you for your letter dated February 28, 1983, informing us of the steps you have taken to correct the noncompliance identified in our letter dated February 14, 1983. We have no further questions regarding Items 1 through 4 and Item 6. Regarding Item 5, your response did not specifically address your corrective action in this matter.

As a result of a telephone conversation with Mr. Paul Kanabrocki on March 9, 1983, in regards to Item 5, it is our understanding that future investigative results will be documented and maintained with your exposure records. Also, exposure record update will be performed at least quarterly pursuant to 10 CFR 20.401(a) and to assure compliance with 10 CFR 20.101. Please advise us if our understanding is not correct.

Your cooperation with us is appreciated.

Sincerely,
