CAROLINA'S RESPONSE TO CFDC SUPPLEMENT TO  
PETITION TO INTERVENE

On March 1, 1983, Concerned Fools of Darlington County (CFDC) filed a Supplement to Petition to Intervene containing five contentions. Carolina objects to all five contentions and moves the Board to dismiss the petition to intervene pursuant to 10 CFR 2.714(b) for failure to satisfy the requirements of that subsection with respect to at least one contention.

While the rudiments of several potential contentions can be discerned in several places, CFDC has not clearly identified any contention and, more importantly, has failed in any way to state the basis of any contention.

Respectfully submitted,
