Re: Your Request No. 011
IN RESPONSE REFER
TO FOIA-81-445

Dear Mr. Green:

This is in further response to your letter dated October 30, 1981, in which you requested, pursuant to the Freedom of Information Act, copies of all reports and communications related to the investigations of Dr. Zalman Shapiro and the Nuclear Materials and Equipment Corporation (NUMEC) in Apollo, Pennsylvania. You stated you are particularly interested in the terms of the "settlement" of the case against Dr. Shapiro and NUMEC, in which Dr. Shapiro paid penalties to the AEC prior to selling the corporation.

The NRC staff is not aware of the existence of any records in its files concerning "investigations" or "the terms of the 'settlement' of the case against Dr. Shapiro and NUMEC in which Dr. Shapiro paid penalties to the AEC prior to selling the corporation." Consequently, we have completed our search for documents, and we have not located any which may be subject to your request.

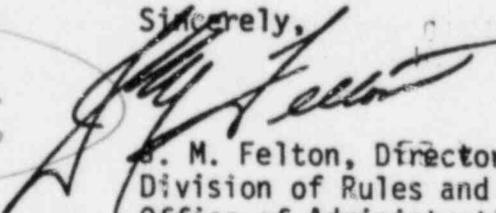

We have previously responded to a number of FOIA requests concerning the NUMEC organization and subjects related to its activities. For your convenience, the listing enclosed as Appendix A hereto identifies these requests and the documents which were released to the public. Copies are available for public inspection and copying at the NRC Public Document Room (PDR) 1717 H Street, N.W., Washington, D.C.

The following documents are also available in the PDR:

1. NUMEC Docket File (Docket #10-135);
2. NUREG-0627, "A Safeguards Case Study of the Nuclear Materials and Equipment Corporation Uranium Processing Plant, Apollo, Pennsylvania," (Executive Summary, Main Report, Appendices A & B); and
3. NUREG-0525, Rev. 4, "Safeguards Summary Event List (SSEL)" dated September 1981.

This completes our action on your request.

Sincerely,

S. M. Felton, Director
Division of Rules and Records
Office of Administration
