MEMORANDUM FOR: Richard E. Cunningham, Director
Division of Fuel Cycle and Material Safety

FROM: Robert E. Browning, Acting Director
Division of Waste Management

SUBJECT: DIVISION OF WASTE MANAGEMENT REPRESENTATIVE ON TASK
FORCE TO REVISIT PART 40 APPENDIX A

Our current representative on the Task Force, Kathleen Hamill, has accepted a position with Region V and will be leaving this Division shortly. Before she leaves there are several items that she needs to complete and several others that will require her attention to facilitate transfer to other staff members. Accordingly, she will no longer be able to serve on the Task Force, effective immediately. To provide the continuity and background on the regulations needed by the Task Force, we suggest that Dan E. Martin replace Kathleen as Waste Management Division's representative on the Task Force.

Robert E. Browning
