ASG Proposal 81-76

Dear Ms. Mattia:

Your letter of June 18, 1982, advising that ASG was unsuccessful in the competition under the subject RFP is acknowledged. Since our estimate was considerably below the award, we request a debriefing in order to understand the apparent weakness in our technical proposal.

In addition, under the Freedom of Information Act, a copy of the winning technical proposal is requested.

Very truly yours,
