Attention: Brook Massey, President

Please find enclosed NRC Form-591 which indicates a violation and a non-cited violation that was identified during the safety inspection conducted on April 26 and May 9, 1994, of activities authorized under the general license provisions of 10 CFR 150.20.

Pursuant to the provisions of 10 CFR 2.202, you are requested, within 30 days to sign and date the enclosed NRC Form-591 which indicates that appropriate corrective action will be taken with reference to the violations described on the form. After signing, please detach the first sheet of NRC Form-591 and return the remaining copies with your signature to me at the Region IV Walnut Creek Field Office (formerly Region V office.)

If you have any questions on this inspection, please telephone me at (510) 975-0226.

Thank you for your cooperation.

Sincerely,

A handwritten signature in cursive script that reads "David D. Skov".
