Docket No. 030-29444

Dear Dr. Gentile:

This acknowledges receipt of your letter dated April 20, 1994, in response to our letter dated March 28, 1994, transmitting a Notice of Violation. This also acknowledges the telephone conversation on May 17, 1994, between Mr. Donald Sreniawski of my staff and Mr. Kevin Gardner of your staff during which Mr. Gardner described how he would track future instrument calibration due dates using two separate computer calendars.

We have reviewed your corrective actions, which appear to be adequate, and have no further questions at this time. These corrective actions will be examined during a future inspection.

Sincerely,

Original Signed by John D. Jones
