MEMORANDUM FOR: Chairman Palladino

FROM: William J. Dircks
Executive Director for Operations

Classified By per M. B.

SUBJECT: ZIMMER MONTHLY STATUS REPORT TO COMMISSION

During the Commission Briefing on the William H. Zimmer nuclear plant project, you indicated a continuing interest in the investigation, and quality confirmation program at the facility and asked to be kept informed of our progress. We intend to issue a monthly report on the status of this project. The first monthly report is enclosed. We recognize that it is rather voluminous and intend to refine it in subsequent issues. Any comments you have which will make the reports more meaningful to you will be appreciated.

Since this report was prepared, two petitions have been received from GAP. The status of actions on these will be covered in the next report.

(Signed) William J. Dircks
