Gentlemen:

Thank you for your letter of January 25, 1983, in response to our letter and the attached Notice of Violation dated October 25, 1982.

As a result of our review, we find that additional information is needed as discussed in a telephone conversation between you and Mr. D. B. Spitzberg of this office on February 10, 1983. With regard to your response to item 3.b of the Notice of Violation, please provide for our review copies of the reports of exposures covering the period August 1-November 1, 1981. In addition, you need to describe the specific actions taken or planned to improve the effectiveness of your management control of the requirements of your license as we requested in our letter dated October 25, 1982.

Please provide us your response to the above concerns within 10 days of your receipt of this letter so that we can continue our review of this matter.

Sincerely,

John T. Collins  
Regional Administrator
