Re: Public Service Company of New Hampshire, et al
Docket Nos. 50-443 OL and 50-444 OL

Dear Sir:

Pursuant to the Commission's Rules and Regulations, there are enclosed herewith for filing in the above-entitled matter the Seacoast Anti-Pollution League's Supplemental Answers to the Applicants' Interrogatories and Request for the Production of Documents.

SAPL understands that under the Board's Memorandum and Order issued March 1, 1983, it is only required to respond to Applicants' Interrogatory XXIV-4. However, SAPL has decided to include responses related to those issues it may seek to litigate in this proceeding. Although SAPL has not yet sought leave to amend its intervenor petition, a full disclosure of its position on these issue now will save time and energy later on should such a petition be granted by the Board.

Very truly yours,

 Robert A. Backus
