- References:
- 1) E. Greenman letter to E. Kraft dated April 22, 1994 transmitting Notice of Violation. Inspection Report 50-254/265-94005
 - 2) Quad Cities Response to Notice of Violation dated May 23, 1994.

Due to an administrative error, the first page of the cover letter incorrectly listed the referenced NRC report as containing two level IV violations and a deviation concerning the IST program vice the one level IV violation concerning the development and adherence to a calibration procedure for the feedwater transmitters. Please remove and discard the first page of the cover letter currently attached to reference 2 and replace it with the attached revised first page of the cover letter. We apologize for any inconvenience this might have caused.

Respectfully,
