Response to Request for  
Additional Information -  
Seismic and Dynamic Qualification  
of Mechanical and Electrical Equipment

Dear Mr. Schwencer:

This letter is provided in response to your request for additional information dated February 26, 1982, regarding seismic and dynamic qualification of mechanical and electrical equipment.

In a letter dated September 15, 1982, we transmitted revised FSAR sections 3.10 and 3.11. Responses to the specific questions in Enclosure (1) to your letter are incorporated in these revised FSAR sections and/or will be included as questions and responses in Amendment 9 to the FSAR, scheduled for submittal on September 30, 1982.

If you have any questions, please contact me.

Very truly yours,

Dalwyn R. Davidson  
Vice President  
System Engineering and Construction
