Mr. Peter T. Tuite
Waste Management Group, Inc.
P.O. Box N
Crugers Branch
Croton On Hudson, NY 10521

Dear Mr. Tuite:

We received your letter dated July 27, 1982 requesting that a topical report on the Radman Waste Classification Program be considered for review. We reviewed the information you have submitted and conclude that the program is acceptable for submittal as a topical report.

The project manager for coordinating the review of your topical report will be Mr. Timothy C. Johnson. All correspondence related to this review should be addressed to him.

We have developed a tentative review schedule for this project. We have attached it under Enclosure 1. This schedule allows for review by the Agreement States regulating the operating commercial disposal sites and one round of questions. The schedule is based on the September 30, 1982 submittal date you proposed.

In response to your request we have also estimated the cost of review to be \$10,000. This cost is based on an internal review effort of 1.5 staff months. Obviously, this estimate is affected by the overall technical quality of your report and of your responses to review questions.

If you have any questions, please contact me at 301-427-4200 or Mr. Timothy C. Johnson at 301-427-4697.

Sincerely,

Original Signed by
