Re: The Cleveland Electric Illuminating
Company (Perry Nuclear Power Plant,
Units 1 and 2): Docket Nos. 50-440, 50-441

Dear Susan:

This is to confirm our conversation today concerning the effect on intervenors' responses to discovery of redesignating OCRE as lead intervenor on Issues 4 and 6.

Applicants' first round discovery requests on Issues 4 and 6 were addressed to Sunflower as lead intervenor on those issues. Now that OCRE is lead intervenor on those issues, I raised the question as to OCRE's responses to those discovery requests. We agreed that since you had prepared Sunflower's responses, no additional responses were needed as a result of the redesignation of lead intervenors. This is, of course, apart from OCRE's continuing obligation to update the discovery responses.

Sincerely,

JAY E. SILBERG
