Docket Nos. 50-413/414

MEMORANDUM FOR: George W. McCorkle, Chief
 Power Reactor SG Licensing Branch
 Division of Safeguards, NMSS

FROM: Cecil O. Thomas, Chief
 Standardization & Special Projects Branch
 Division of Licensing

SUBJECT: DUKE POWER COMPANY CATAWBA NUCLEAR STATION SECURITY
 PLAN APPROVALS AND PROPOSED CHANGES

Your technical assistance is requested in reviewing additional information concerning the planned relocation of the Central Alarm Station (CAS) at the Catawba Nuclear Station, as indicated in letter dated February 15, 1983 and submitted by cover letter dated February 24, 1983.

Reference your letter, dated February 2, 1983, wherein a proposed License Condition regarding Catawba Nuclear Station's Physical Security Plan, Safeguards Contingency Plan and the Training and Qualification Plan was submitted. This license condition will be held in abeyance pending the results of your review of the planned relocation of the CAS, in order that any changes or additions to the condition can be incorporated initially.
