Gentlemen:

This responds to your letter of March 11, 1974, concerning the annual fee for your AEC License 20-12943-01.

In further review of the activities authorized by your license, the fee category should have been 3B (\$1,000) rather than 3A (\$2,000). Accordingly, we are notifying our Office of the Controller to refund \$1,000.

We are sorry for the inconvenience this matter has caused you.

Sincerely,
