Dear Participant:

This is to inform you that you have been accepted for attendance at the NRC training course entitled, "The Safety Aspects of Industrial Radiography," to be held during the week of April 11 - 15, 1994. The course will be conducted by Amersham Corporation in Burlington, Massachusetts. The course will begin at 8:00 a.m. on the morning of April 11, 1994 and will end at 1:00 p.m. on Friday, April 15, 1994.

TRAVEL

Your travel plans should be made with these points in mind:

0 You should fly into Boston's Logan Airport or any other airport convenient to Burlington, Massachusetts.

0 BECAUSE OF TRAFFIC CONDITIONS IN THE BOSTON AREA, PLEASE MAKE YOUR DEPARTURE TIMES AFTER 3:00 p.m. on April 15, 1994.

0 DO NOT MAKE YOUR OWN PLANE RESERVATIONS. Please call Carlson Travel at 202-554-1850. Carlson will make your reservations and mail you a ticket. In order for you to receive your ticket in a timely manner, you must call Carlson immediately. If you are traveling by car, we will reimburse participants for travel based on the rate per mile at the time of your attendance at the course, not to exceed the lowest airfare.

Since rental cars are NOT AUTHORIZED, we are including information on the M&L Transportation shuttle service for travel between the airport and the hotel. M&L transports to and from Boston's Logan Airport and the hotel hourly. Please note the last shuttle from the airport leaves at 11:00 p.m. and that the fare schedule has increased slightly from that on the attached schedule. We suggest that you purchase a round trip ticket for approximately \$27.00 because the one way fare is approximately \$16.00. Please call 617-665-7791 or 617-567-2227 to make reservations with the shuttle company.

HOTEL and PER DIEM
