Gentlemen:

SUBJECT: REQUEST FOR ADDITIONAL INFORMATION (TAC NO. M89505)

We are continuing our review of your amendment request for Amended Facility License No. NS-1 for the N.S. Savannah which you submitted on May 19, 1994, as supplemented on May 24, 1994. During our review of your amendment request, questions have arisen for which we require additional information and clarification. Please provide responses to the enclosed Request for Additional Information within one day of the date of this letter. Following receipt of the additional information, we will continue our evaluation of your amendment request. If you have any questions regarding this review, please contact me at (301) 504-1127.

In accordance with 10 CFR 50.30(b), your response must be executed in a signed original under oath or affirmation.

This requirement affects nine or fewer respondents and, therefore, is not subject to Office of Management and Budget review under P. L. 96-511.

Sincerely,

Original signed by:
Alexander Adams, Jr., Senior Project Manager

REQUEST FOR ADDITIONAL INFORMATION

N.S. SAVANNAH

DOCKET NO. 50-238

1. Your propose changes concerning regulations related to radiation protection in Technical Specification (TS) 2.1, 2.2, 2.3, 2.4, and 3.3.1.a. Please provide an analysis that justifies these changes. In TS 3.3, and 3.3.1, you propose changing reference to Regulatory Guide (RG) 1.86 to applicable Federal regulations. There are no regulations equivalent to the information given in RG 1.86. Please return references to RG 1.86 to the TS or propose equivalent TS. In other sections of the TS, you propose replacing reference to specific regulations with applicable regulations. Please explain.
2. Please provide additional information on the qualifications of staff from the U.S. Army Center for Public Works, Humphries Engineering Center for assuming the responsibilities held in the TS by the South Carolina Department of Health and Environmental Control, Bureau of Radiological Health.
3. In TS 3.3, last paragraph, you propose adding the words "transmitted to the security force." Please explain the meaning of this phrase and provide justification.
4. In TS 3.4.b, you propose removing the words "and monitoring station dosemeter readings" from the content of the written report to the NRC. Please justify this change or leave this wording in the TS.
5. In TS 3.7 1.6, you propose security in accordance with JRRF's established security procedures. Please explain and justify these procedures. How does this compare with the current TS.
6. You proposed in TS 3.7 3. changing the check of level strips from daily to weekly. Please justify this change.
7. You proposed in TS 3.7 6. changing the inspection of the primary and secondary systems from annually to every four years. Please justify this change.
8. Please submit a copy of your proposed TS with all changes made.
