MEMORANDUM FOR: D. G. Eisenhut, Director, Division of Licensing, NRR

FROM: C. E. Norelius, Director, Division of Project and Resident Programs

SUBJECT: DAVIS-BESSE IST PROGRAM - TEST RELIEF REQUEST EVALUATIONS
TAC NO. #11316

We have reviewed the Davis-Besse Inservice Testing Program relief requests and the Technical Evaluation Report done by EG&G, Idaho. We disagree with a significant number of the relief requests and with some of the EG&G recommendations. We are meeting with the licensee, tentatively, on March 29, 1983 to present the findings of our review. It will take some time to come to a resolution; hence, we are extending our SE schedule for Davis-Besse to June 30, 1983.
