NOTE TO: Central Files

FROM: Bob Gramm

SUBJECT: CORRESPONDENCE TO BE PLACED IN THE PDR

Attached is an incoming letter from Mr. Marc Meyer that was addressed to the staff. Mr. Meyer had originally requested that the staff treat the report as a draft document subject to additional verification. During a subsequent conversations between myself and Mr. Meyer, he states that he no longer has any restriction on the distribution of the document. Please ensure that it is placed in the PDR and Central Files. If there are any questions, please call me at 504-1010.

Robert Gramm, Chief  
Quality Assurance Section  
Performance and Quality Evaluation Branch  
Division of Reactor Inspection
