TO: R. C. DeYoung, IE
     J. T. Collins, RIV

Attached are some notes of requests made by Markey's office of OCA in regard to Hayward-Tyler Pumps:

> #6 relates to manual chapters which have investigation
>   in common.
>
> #8-14 relate to OIA communications on Stepan Chemical Co.
>   which was a case in which (I believe) OIA chastised
>   us for premature release of the report -- and for the
>   investigation generally.

I'm not sure of your degree of interest, but I passed so you can make your own judgment.
