Dear Mr. Echlin:

SUBJECT: NOTICE OF VIOLATION DATED APRIL 8, 1994

This acknowledges receipt of your letter dated April 18, 1994, in response to our letter dated April 8, 1994, transmitting a Notice of Violation.

Your letter dated April 18, 1994, indicates Magnalarm Inc. informed the NRC as soon as it was possible that Magnalarm Inc. was in bankruptcy. However, Magnalarm Inc. did not provide written notification of the filing for bankruptcy to NRC until approximately three months later. Furthermore, the written notification was submitted in response to a verbal request by NRC.

We have no further questions regarding the violation specified in the Notice and consider the matter closed.

We acknowledge receipt of your request for termination of NRC License No. 13-26477-01, and it has been forwarded to our Nuclear Materials Licensing Section for processing and review. You will be notified in a separate correspondence regarding the results of that review.

Sincerely,

Original Signed by B. J. Holt
