RE: PRM-71-11

Dear Secretary:

The state of Idaho, INEL Oversight Program, requests an extension of time for the public comment period in the referenced matter. The state has recently received technical background documents from the Department of Energy regarding the proposed rule. In order to review these documents and provide comments, I am requesting an extension of thirty days from the May 4, 1994 deadline.

You may contact me at the above address should you have any questions concerning this request. Thank you for your attention to this matter.

Sincerely,

STEVE R. HILL
Administrator
