30-13832

Gentlemen:

Thank you for your letter dated February 21, 1983, informing us of the steps you have taken to correct the noncompliance identified in our letter dated January 25, 1983. With respect to Item 1, while your letter states that you have filed an application for an appropriate amendment to achieve corrective action for the item of noncompliance, it should be understood that no activity is in accord with NRC regulatory requirements unless and until it is specifically authorized in an NRC license. Steps should be taken to ensure that NRC-licensed materials are hereafter possessed and used only as authorized by your license. We will examine this matter during a future inspection.

Your cooperation with us is appreciated.

Sincerely,

D. G. Wiedeman, Chief  
Materials Radiation Protection
